NEW-YORK ATHLETIC CLUB SEVEN DE-FEATS OTTAWA PLAYERS IN AN EXCITING GAME.

Inability to withstand New-York hospitality on the part of one of the Ottawa bookey team played an important part in the game on the ice at the St. Nicholas Rink last night, between the teams from Ottawa and the New-York Athletic Club. New-York team played a splendid game, and won by the score of 6 to 3. In the opinion of the experts, the result would have been closer if the Ottawa line had been as stanch as it was on Friday night. The Canadians, however, did not bring any substitutes, and consequently Stuart

was compelled to play out the game.

The local players tried several new manœuvres. and worked them successfully until the Canadians mastered the movements. If the New-York team plays as well in its battle for the championship splendid contest is sure to result. The Canadians which carried everything before them. The flashes however, did not last long. Stuart showed none of the deverness displayed in the game with the Hockey Club on Friday night. Both teams played clean hockey most of the time. Stuart was sent to the side lines twice and Gilmour and Jennison once. Singularly enough, the Canadians did their

DAILY DELIVERIES ON MONDAY.

President Wagar of the Consolidated Stock and Petroleum Exchange called the attention of the members yesterday to the fact that daily deliveries of stocks would begin on Monday. His announcement was loudly cheered, as many members regard the new rule as a step in the right direction. It is feared, however, that there may be some friction in carrying out the plan, as it represents a radical change. Deliveries have been weekly on the Consolidated for years.
